

# Elk Ridge Relief Society Zoom Activity (YW also invited)

**Wednesday, April 14, 2021 – 6:30 p.m. or 7:30 p.m.**

## **Macrame Earrings, 6:30 – 7:30 p.m.**

All Sisters and Young Women can learn how and make a pair of macrame earrings like these. **You will need sharp scissors, super glue, a small wire (or pet) brush, and some pliers** (needle nose, if available, but regular pliers will work). The Relief Society will provide the ear hooks, the jump rings, the hoops, and the cord.

Paula Reese will teach us how to make these cute earrings in less than an hour.

To sign up, please email Kathy Archer at [kath.b.archer@gmail.com](mailto:kath.b.archer@gmail.com) **NO LATER than March 29**. We will drop the earring parts and the cord to your home between April 12 and April 14.

## **HOME Sign, 7:30 – 8:30 p.m.**

Janalee Berentzen will teach us how to make this cute 10" by 24" HOME sign (the photo is the one she already made).

**You will need a hot glue gun and a glue stick, a thumb tack (clear head) to hang the wreath from, and a small foam paint brush.** The materials the Relief Society will purchase and provide will cost \$15 and will include the wood (cut and pre-stained), the white paint, the vinyl letters (to leave the stained portion on the letters showing), and the small wreath and greenery.

To sign up, please make a **\$15 donation** to the Elk Ridge Ward, labeled as "**Relief Society Craft**" online or submit it with a tithing slip, **NO LATER than March 29**. Sorry, no exceptions to the deadline. We will drop the materials at your home between April 12 and April 14.
